ABOUT SNACKS4STUDENTS

Snacks4Students is a 501(c)(3) nonprofit based in Florida dedicated to ensuring that no child goes hungry during the school day. Founded after a parent noticed students going without snacks during snack time, the organization has grown from a single donation drive into a community-wide effort of purchasing snacks and mobilizing a volunteer network of "Snack Angels" to deliver directly to local schools.

We believe a nourished child is a focused, confident, and ready-to-learn child. Snacks4Students works alongside schools, community partners, and donors to make sure every student feels included, no matter what they brought from home.

MISSION & VISION

Mission: To provide free snacks to local schools so every child has the fuel they need to learn, grow, and feel included.

Vision: A classroom where no student feels left out, where hunger is never a barrier to learning or belonging.
